The South Adams High School A Capella while only in its second year, has already achieved honor and distinction for itself. Under the direction of Mr. John Bechtelhiemer, the one-hundred and thirty-three voice choir has sung the gauntlet of musical productions from Bach to Irving Berlin. This year's choir met five times a week during homeroom, and at special times morning rehearsals were held which caused extreme tension for many SA somnolents.

Performances were given at: Winter Festival, WKJG Christmas Concert, Vespers Program, SABB Festival, Spring Concert, Knox Contest, and Pops Concert. The A Capella finished their activities with two concerts, one at the Lincolnshire Church and the other at Baccalaureate. The school spirit and devotion put forth by A Capella members deserves commendations and thanks for a job well done.

DIRECTOR

# Marching

The 133-member Marching Band, under the direction of Don Gerig and Gene Knoch, was composed of the Concert and Symphonic Bands. This vibrant group displayed unusual variety in its many appearances. The spark of the Marching Starfires ignited enthusiasm in the spirited SA football fans. Parades within the county and in other parts of the State were brightened by the scintillating Stars.

Progress was the keynote for Mr. Knoch's forty-nine young instrumentalists. The Concert Band evidenced hard work and achievement in performances throughout the year, including the Christmas Concert, the Annual Winter Band Concert, the SABB Music Festival, and the Pops Concert.

From Barry's "Born Free" to "The Magic Flute Overture" of Mozart, the eighty-four Symphonic Band members delighted their appreciative listeners. In addition to participating in the concerts mentioned above, Mr. Gerig's musicians entered State Contest and Knox and enlivened two local political rallies. The purchase of a contra-bass clarinet, two bass clarinets, and a set of chimes enriched the presentations of the Symphonic Band.

"You cannot kindle a fire in any other heart until it is burning in your own."

To you who overlooked our shortcomings
and saw instead our potentialities;
Who strived to polish our rough exteriors
that we might receive distinction in society;
Whose respect for education provided the spur
in our search for knowledge;
The Seniors proudly dedicate to you,
Mrs. Minch, this 1968 edition of REFLECTION.

"To Her we dedicate this book in an attempt to return some of the respect that she first gave to us."

Administrative Office

To the Senior Class of 1968:

Our belief in American Youth has never faltered.

When the need arose for increased excellence in learning, our young men and women responded to the urgency. If the immediate future requires greater competence of our adult society, as we are certain it will, our faith remains firm that today's graduates will have the capacity and willingness to achieve this added skill and knowledge.

You, as seniors, must pick up the vision and have the inspiration for your task. You must continue your learning process for growth, take a personal responsibility for your country, and rise to any challenge which may confront you.

You have completed a very important task. How successfully depends upon the degree of effort you have expended over the past twelve years.

It now becomes your task to "Bear the Torch of Education." Hold it high! Remember that a free man, when ignorant, is a dangerous man and that our society demands certain learnings and competencies common to all citizens.

Congratulations to the Class of 1968.

Sincerely,

Patrick Murphy
